

Oak Brook Park District

Natural Area Stewardship Bid

Addendum 1

All addenda to bidders shall be incorporated into the bid documents. Each bidder submitting a bid must acknowledge receipt of any and every addendum received. All bidders shall include a printed and signed copy of this addendum with their bid submittal.

Question # 1.

1. Wet mesic, mesic and woodland seed mixes all vary substantially in costs but there is only one line item for seed per acre. How shall we bid this?
 - A. Contractors should provide the labor cost only for seeding. Seed blend selections will be determined between the awarded stewardship contractor and owner, based upon the needs of a particular area.

Question # 2.

2. For spot spraying, is there any indication of how heavy the weeds are in each of the sites? A light infestation will be much cheaper than a solid acre of weeds.
 - A. Contractors are encouraged to visit the site to assess the density of weed growth.

The Bidder's signature below acknowledges the receipt of Addendum #1, issued May 31, 2018 for the Dean Nature Sanctuary Stewardship Bid.

Bidder's Signature: _____

Bidder's Name: _____

Company Name: _____

Date: _____
